Dear Families,

Easter Crafternoon – Thursday 28th March 2024

In September, we shared with you a range of dates that are coming up throughout the year. We are pleased, and excited, to welcome you all back into our school to work alongside your children on Thursday.

During the afternoon, there will be an opportunity for everyone to complete Easter crafts.

Gates will open around 1.00pm. Please enter school via your child's usual entrance point/door. For those who don't usually drop off in school, our entrance points have been included below for your information.

	Year 3	Year 4	Year 5	Year 6
Door Drop Off & Collection	3JM – Door A 3LH – Door B	4EC – Door C 4HG – Door C 4AS – Door C	5ES – Door D 5CL - Door D	6BP - Door E 6CJ - Door E

Due to space within school, we can only allow **ONE** adult per child to work with them. Classrooms aren't designed for big numbers like this so we appreciate it may be a squash and a squeeze but we will do our best to make this a great afternoon for you all.

Where children have siblings in school, there will be plenty of time to go between classes and to spend time with them.

When you have finished your craft activity, you are welcome to leave with your child/ren. As gates will close shortly after 1.00pm, for safeguarding reasons, we would request that families exit via our school office. As this is staggered, we don't foresee this being an issue.

I would also like to gift an Easter egg to all of our wonderful children that day so please make sure your child is in school to receive this.

Yours sincerely,

Mr. D. Walton-Jonas
