Hello to the new 6CJ!

What a lovely surprise it was for me to find out that I am going to be your new teacher next year! I have got to know most of you quite well over the past few years, so I am sure we are in for a great year together. It's also very special that I have taught some of your lovely older siblings and even parents too! I am really looking forward to getting to know you all even better and I am delighted that I have the pleasure of guiding you through your final year at Broadway. Year 6 is such an exciting year for us - it's the year where you really get to **shine bright** and showcase all of the amazing progress you have made in your four years at Key Stage 2. These days really are the best days of your life.

The other teachers in Year 6 will be: Mrs Page (who will be changing her name to Miss Smith from September), Mrs Walker and Mr Scott. Over the course of the week, you will most likely get to work with all of us, as we move to different classes for some subjects. We cover some really exciting topics in Year 6, which I know you will enjoy! Some of my favourites are: World War 2, The Titanic and the life of Muhammad Ali. Reading is also something that I love and I cannot wait to read our Year 6 books with you. Our Year 6 Broadway Bookshelf includes the fantastic *Eagle in the Snow* by Michael Morpurgo, *Skellig* by David Almond and *Letters from the Lighthouse* by Emma Carroll.

A little bit about me... one of my favourite pastimes is going to the theatre and I love watching a good show or musical. Some of you already know that I spend a lot of my spare time at various football hubs around Sunderland, as my 8 year-old daughter is a goalkeeper. I also have a 10 year-old son, who is very much into gaming, so I am sure I will have a lot to talk about with all of you!

I will see you later this week, when you will have a chance to work with me in your new classroom. And, from now until the end of term, you know where I am if you need to ask me anything about Year 6.

From Mrs Johnson 😊
