### End of Year Report 2023-2024

Thank you for taking the time to read your child's report and we continue to welcome any support that you can provide in acting upon their identified targets in the coming year.

If you do not require a follow up discussion with your child's class teacher – as detailed in the covering letter – you may wish to complete the form below which is entirely optional. Some families (and children) may like to take the opportunity to make a comment to their child's teacher in response to the report provided. If so, please hand this back into school by Thursday 18<sup>th</sup> July.

Many thanks.
