Monday 18th March 2024

Dear Families,

Egg Decorating Competition 2024

It is that time of year again... a time we all remember from our own time in primary school!

Our annual hard boiled egg decorating competition will be held in school on Tuesday 26th March 2024.

On this day, we would like to ask that all children come to school with a hard boiled egg (or two) so that children can utilise their creative flair and make them into something interesting! If your child has an idea in mind, you could design this with them on the back of this letter. There will only be limited resources available in school on the day so please provide the materials that they'll need so that their design can be brought to life.

We will judge the eggs and announce a winner from each class during our assembly on Thursday 28th March. The winners will receive a special prize for their efforts. **Good luck!**

I would also like to gift an Easter egg to all of our wonderful children on the last day of term so please make sure your child is in school to receive this.

Yours sincerely,

Mr. D. Walton-Jonas
