---

Hello,

I hope you are as excited as I am for the next chapter in your school life at Broadway Junior School. My name is Mr McCabe and I'm going to be your main class teacher when you start here in September. I'm sure we're going to have an educational, creative and fun year.

I'm absolutely thrilled that you're going to be in class 3JM every week with myself from Monday to Thursday. We are going to be learning all sorts of different, challenging and exciting things. I know I've already met you briefly but soon we'll be working together developing new skills, becoming confident learners and discovering loads of different techniques as we work our way through our Year 3 curriculum.

I'm also pleased to tell you that you will be working with Mr Ramshaw every Friday. I spoke to Mr Ramshaw just recently and, like myself, he is very excited to be meeting you and your families.

As music lead, and as the arts are my most passionate subjects, I can't wait to get started singing, composing with instruments, and using a whole range of materials and mediums in art. I know we're going to creating some wonderful pieces.

This is a totally new chapter for you, a transition from the infants to the juniors, and at first it might seem a little strange but the staff at Broadway are helpful, caring and nurturing, and we'll soon get settled into a routine where you will feel valued and learn lots of new things.

Enjoy the rest of the summer break and I look forward to seeing all your wonderful, smiley faces in September.

Take care and best wishes,

Mr McCabe
