Dear Families,

I am writing to introduce myself to you and offer my support moving forward as the new SENDCo at Broadway Junior School.

Over the past week and during my visit days in the previous term, I have met every child in school and have been fortunate to meet many of you. Through this I have been able to see and hear first-hand the SEND needs of individual pupils and what has already been put in place at school. I have also witnessed the excellent inclusive practice and culture which has been established here as well.

Over the next few weeks, it would be good to speak to more families to get an insight into how they feel their child is doing at school and how they feel they are supported. From this I can establish what we can offer in-house as staff. I must stress many external organisations are fully subscribed with long waiting lists; however, we will still use these options if necessary.

In the meantime, I would greatly appreciate your patience as I continue to become accustomed to individual pieces of documentation and gain further feedback from staff. My email address is send@broadwayjuniorschool.com if you wish to contact me urgently or if you have any other concerns or queries regarding SEND.

I look forward to meeting you all.

Yours sincerely,

Mr Dan Ramshaw
